

TAYLOR®

INDOOR/OUTDOOR STATION CLOCK AND THERMOMETER

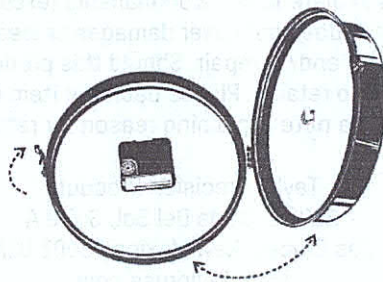

Assembly, Mounting, and Operating Instructions for Model Number 91572T

Thank you for purchasing a Taylor® Indoor/Outdoor Station Clock and Thermometer. This nostalgic utility icon is the perfect decorative accent for inside or outside the home. The clock and thermometer combination provides both time and temperature for an attractive and practical household decoration.

CLOCK SETTING

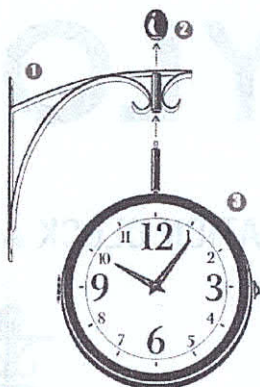

- The clock operates on 1 AA alkaline battery (not included).
- Lift the latch on the side of the metal housing and open the unit.
- Install 1 AA alkaline battery according to the polarity markings inside the battery compartment.
- Set the correct time by rotating the adjustment knob located on the back of the clock side just above the battery compartment.
- Close the unit and secure with the latch.
- Remove the battery if the unit will not be used for a long period of time.

INSTALL BATTERY AND SET CLOCK

ASSEMBLY INSTRUCTIONS

- Slip the top hole in the metal hanging bracket onto the post on the top of the unit.
- Screw the decorative finial knob into the post.

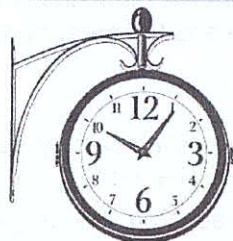

ASSEMBLE BRACKET AND KNOB

Components: 1) Bracket for mounting 2) Finial knob 3) Clock/Thermometer unit

MOUNTING INSTRUCTIONS

- Select a desirable location out of direct sunlight for accurate temperature readings.
- Depending on the mounting surface material, you may need to pre-drill holes to install mounting screws.
- Use two 1 1/2" #8 screws and washers (not included). Drive screws into surface leaving approximately 1/2" protruding.
- Mount the unit's metal hanging bracket using the screws and washers.
- Tighten screws to secure the unit.

MOUNT BRACKET TO SURFACE

ONE YEAR LIMITED WARRANTY

This product is warranted against defects in materials or workmanship (excluding batteries) for one (1) year from date of original purchase for original purchaser. It does not cover damages or wear resulting from accident, misuse, abuse, commercial use, or unauthorized adjustment and/or repair. Should this product require service (or replacement at our option) while under warranty, do not return to retailer. Please pack the item carefully and return it prepaid, along with store receipt showing date of purchase and a note explaining reason for return to:
